

Off The RACC

Ahh, those smiles!

You truly are the face of our Community.

What a pleasure it is to see you at the Center! We are looking forward to a great year, hearing your stories, sharing laughs, making memories, learning new things, getting to know our neighbors! And that is community...coming together for a purpose, getting to know one another and then working to do great things! We're so glad you want to be here with us!

Time to Belly Up!

We're not kidding. We are offering belly dancing and Pilates! Is losing some weight, strengthening your core or finding inner peace on your list this year? Join us for one of many wonderful yoga classes we offer during the week. New this year, Deidre Smith will teach a drop-in Mat Pilates class and we're working with Belly Dance Kalamazoo to bring you an eight -week session, fun for everyone! Weight Watchers is here, ready to help you lose those extra pounds and you are invited to get in shape walking with Fit Club or dancing and laughing with the light aerobic exercise group, Swingin' with Susan.

More in Store!

We're cooking with the Kitchen House once again, a new Kindness Rocks project and so much more. Did you know Rotary has different speakers here every week with fascinating topics? The public is always welcome. Don't be shy, they'd love to see you! We're working on our trail project and improving our activity field. And while winter snows are deep, we'll be thinking of the Farmers' Market in the spring.

All this is designed to put a smile on your face, (and maybe reduce the belly a little too)...because you truly are the face of our Community. Hope to see you soon!

THANK YOU!

You said, "YES!" and we say, "THANK YOU!" Because of your generosity, the RACC can continue to say, "Yes!" to programs and events that add value to our community and the lives of those we serve.

This last year, not only did we provide a new home for the Richland Farmers' Market, but we also expanded our exercise programs, provided cultural, social, and art events and programs—**totaling 1,500**—and **served almost 30,000** people in our community.

That is a 53% increase from 2014! Wow!

We plan to do even more in 2018. That is the power of your "YES!" What a fantastic way to celebrate 15 years as a community treasure! Thank You!

Thank you to our generous and caring donors!

THANK YOU JASON HENDERSON

In December, after six years of service as our Board Treasurer, Jason Henderson stepped off of the Richland Area Community Center Board. We appreciate the dedication Jason showed, as he oversaw the RACC financials, and wish him well in his future endeavors. Jason works at Walker, Fluke & Sheldon and looks forward to having more time to spend with his lovely wife, Shelly, a teacher at Ryan Intermediate, and daughter, Megan, a student at Gull Lake. We also said goodbye to Lori Nay, she left the Board earlier this year due to work commitments. We appreciate her thoughtful approach and wish her well! Thank you both!

THANK YOU VAL KARAM WELCOME NEW BOARD MEMBERS!

While Val is not leaving us yet, she is stepping down as President and we wanted to begin to thank her for all she's done. If you know Val, you know that list would fill this page! Her creativity and fundraising skills have transformed the Community Center over the many years she's been involved. This has been her passion and the entire community has benefited from her talent, creativity, energy and enthusiasm. Betsi English will become the Board President, serving along with returning Board members Marie Stech and Val Karam. We welcome new Board members Susan Chrisman, who will take on the role of Treasurer; Jen DeMaagd, Ella Segur, Fred Einspahr, Andrea Trautman and Hillary Willavize. Welcome!

BLANKETS NEEDED!

We're partnering with volunteer services at Borgess Hospital to provide throws and blankets for adults and children with cancer, in hospice care or critical care. There are several volunteers who sew, knit/crochet homemade blankets/throws but due to the increased need, the volunteers can't keep up. Their mission is to provide patients with that special touch. So, we need you!

You don't need to sew. You can purchase soft fleece throws, ideally 5 to 6 feet in length (so someone can pull them up to their chin and still cover their feet). You can crochet, knit, sew or hand-tie fleece blankets. Perfect project for the kids!

Blankets must be made in a clean environment, no smoking, no bad or strong odors, no pet hair. If you make something smaller, patients in wheelchairs can use them for lap blankets. Kandi also mentioned themed blankets are often a big hit. An ex-Marine was given a blanket with the Marine insignia and his face just lit up. Elderly patients with dementia seem to really like soft and colorful blankets.

Let's see how many blankets/throws we can make or buy and make life a little warmer for someone struggling. Bring them to the RACC by February 17, in time for Random Act of Kindness week, and we'll include your name on our list. You can also volunteer to sew at Borgess if you'd like.

Sewing Bee Blanket-making at RACC January 28th, from 11:30 to 2:30! Bring your sewing machine, your material, your fleece tie blankets and get started!
