ART HOP IN RICHLAND??!

Yes, Indeed! Friday, July 12 - and It's FREE!

We are partnering with the Arts Council of Greater Kalamazoo to bring Art Hop to Richland this summer on July 12! Along with the Arts Council, The Little Yellow Frame Shop, Richland Community Library and other arts organizations, we're planning an evening of arts exhibits and events throughout Richland. We will top it all off with a FREE, live concert on the grounds of the Community Center as part of the Art Council's Summertime Live Free Concert Series! Planning is underway, and we couldn't be more excited to bring this event to you! Mark your calendars for Friday, July 12. We'll be sending out details soon!

WE LOVE YOUR GORGEOUS FACE!

Our greatest pleasure is to see you walk through our doors and enjoy one of our many classes and/or events. That's why we work so diligently year-round to bring you programs that enhance your life here in the greater Richland area—programs to help you live healthier and happier! As a bonus, we often share a laugh, make memories and get to know you better...thank you for spending time with us! You haven't been here? Well, 2019 is a great year to try one of our many programs. Scan the listing on the back of this newsletter and come see us!

Last year, we threw a "Program Palooza" to brainstorm all kinds of program ideas for our community. Many of them are in process. In 2019, look for new cooking classes, additional travel opportunities, a barre class, a dining out club, and so much more! We are sad to say, Pig Yoga did not make the cut! We're looking forward to the Richland Farmers' Market, Art Hop, Arts and Eats, summer camps, exercise classes, cooking classes, wine pairings, art classes... something for everyone! Hope to see you soon!

THANK YOU, VAL KARAM!

While Val is still going to be involved with the RACC (whew!), she is stepping down from the Board. We wanted to take a moment to acknowledge a few of the wonderful things she's done—a list that goes on and on! The RACC has been her passion, and the entire community has benefitted from her creativity, energy, determination and enthusiasm. Whether it was picking out paint colors, raising funds, helping find furniture, getting on her hands and knees to paint walls or creating a seven-foot Styrofoam boot—she was always ready for anything and did it all in fabulous fashion! **Val has been our champion, our cheerleader, our fundraiser, our friend and one of our greatest advocates—her mark on the RACC is indelible.** What's next for Val? Art Hop! Val is spearheading the effort to bring Art Hop to Richland, so mark your calendars for July 12. You won't want to miss it. Merci Beaucoup, Val!

WHAT'S UP ON THE WALLS?

Look for art from Kristina Spitzner from March 1st through April 27th. Her spectacular botanical prints will grace our walls just when we're hungry for flowers and a pop of color! Not only will Kristina be displaying her works, but she'll also be teaching a watercolor workshop in April! See the middle of the newsletter for more information.

Kristina Spitzner is a Botanical Artist and Natural Science Illustrator from Southwest Michigan who loves to share her passion for watercolor painting, as well as her fascination with the intricate details, colors, textures, and beauty of nature, which inspires her work.

REDUCING POLLUTION AT THE RACC

Our solar panels are expected to reduce our net electric use by -38,500 kWh annually. The environmental benefits include these pollution reductions:

- 82,351.5 lbs of CO2 (carbon dioxide) annually
- 109.73 lbs of NOx (nitrogen oxide) annually
- 363.4 lbs of SO2 (sulfur dioxide) annually

Several people have asked if the panels work in the winter and the answer is yes, they do, they're powered by light, not heat. That said, the sunnier the better! And right now, we're probably all feeling that way!

WHAT CAN SENIOR SERVICES DO FOR YOU?
