

# Sponsor Packet

## 9th Annual "Plant Yourself!"

fundraising event at River Street Flowerland  
Thursday, April 29, 2021, 6-8:30 pm

### IT'S BACK!

After the year we've all had, we are so excited to hold this garden party, filled with the promise of spring and so much more! This event is a casual evening of delicious food, fun, friends, and fundraising among the gorgeous flowers and foliage at River Street Flowerland! Rest assured, recommended CDC protocols will be followed to keep our guests safe.

As a "Plant Yourself!" sponsor, you'll receive increased local attention through a variety of media and will be connected to an organization that is considered a valuable community treasure—see the next page for details!

Proceeds from "Plant Yourself!" support operations, programs, classes and events at the Richland Area Community Center that focus on arts and culture, healthy living, and lifelong learning. These include anything from technology workshops and dance classes to kids' camps, art classes and exhibits, Art Hop, yoga, exercise, the Richland Farmers' Market and so much more!

## Your support makes all the difference!
